

Remarks

Upon entry of the foregoing amendment, claims 1-52 are pending in the application. The specification has been amended to insert the Sequence Listing and sequence identifiers in accordance with 37 C.F.R. § 1.821. These changes are believed to introduce no new matter, and their entry is respectfully requested.

In accordance with 37 C.F.R. § 1.821(f), the sequence listing information in the paper copy of the Sequence Listing and the computer readable copy of the Sequence Listing, both submitted herewith, are the same.

Applicants also note that the International Filing Date on the Notification of Missing Requirements Under 37 U.S.C. § 371 in the United States Designated/Elected Office, mailed June 27, 2005 for the captioned application, is incorrectly noted as December 10, 2004. The International Filing Date of International Application No. PCT/US03/18253 should be noted as June 10, 2003. Applicants request correction.

Conclusion

Prompt and favorable consideration of this Preliminary Amendment is respectfully requested. Applicants believe the present application is in condition for allowance. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,
